Skills

> **Networking fundamentals** (TCP/IP, DNS, HTTP/S) | **Linux**,
> C++ | JavaScript | UiPath.

Education

SecuritateIT.com Programming Mentoring.

- *I am currently studying in the SecuritateIT Mentorship Program, focusing on industry-relevant skills in Cybersecurity.*
- *My learning path includes both Red Team and Blue Team fundamentals. I am gaining hands-on experience in vulnerability assessment, exploitation techniques, security hardening, network defense, and real-world attack/defense methodologies, aiming to build a solid foundation for identifying and mitigating security risks.*

Work Experience

Atos (RPA Developer) - May 2022 - present

- *Develop and deploy processes Test the process and analyze the performance increase.*
- *I solve issues that arise in the day-to-day running of RPA processes and provide timely responses and solutions as required.*
- *I documented each individual automation's parameters and technical resources to facilitate operations.*
- *Communicate in English, teaming with colleagues across the globe.*

Mummelsee (Chef) - April 2018 - May 2020

- I learned new German-Style cooking skills.
- Served over 100 portions of high-quality food every day cooperating with my colleagues of different nationalities and cultures.
